MINI RULE BOOK

FOR

2019/20 SEASON

(AS DATED JULY 2019)

Welcome to the Vale of Glamorgan mini section.

We are a very fast growing section of the Vale Leagues with over 1000 playing members. The section is an enjoyable place for young players to start their footballing lives please ensure this continues by reading the rules/guidelines.

MINI FOOTBALL

INTRODUCTION

The Football Association of Wales (FAW) recognises that children do not perform the same as adults in an 11-a-side game. Therefore a modified version is required to meet the developmental needs of young players while maintaining all the features and essence of the full game. Mini Football is recognised by the FAW as the only form of football in Wales for children Under 11 years of age.

WHAT IS MINI FOOTBALL

Mini Football is a modified version of the 11-a-side game. It gives children the chance to play real football, for a real team, whilst experiencing an enjoyable and fun introduction to football through small sided games.

MEETING THE NEEDS OF CHILDREN

All available research shows that children have more fun and learn more playing a game within smaller teams. Mini Football is therefore ideal for girls and boys under 11 years of age in terms of maximizing their enjoyment and technical/skill development.

IF CHILDREN ARE TO ENJOY AND TAKE PART IN FOOTBALL

THEY NEED TO:

- Take an equal active part in the game and have fun without any pressure from parents, coaches or managers.
- Learn to play within a team.
- Understand and observe the rules of football.
- Develop the skills and techniques to play football.
- Be able to take part whatever their ability.
- Have plenty of contact with the ball.

KEY VALUES OF MINI FOOTBALL

Mini football is for girls and boys aged 5 to 11 of all abilities who are interested in football (all children of primary school age). The FAW believes that children should learn how to compete to win fairly, skillfully and within the rules of the game. At this age striving to win is more important than the outcome, winning is not everything, making the effort is.

Mini Football:

- Recognises that children do not perform and compete as adults and therefore its rules are adapted to meet the needs of children.
- Has all the features of real football for children.
- Recognises the value of competitiveness for children and provides an appropriate environment.
- Sets a standard and a framework of behaviour on and off the pitch.
- Is for boys and girls regardless of their ability.

SKILL DEVELOPMENT

- There is more contact with the ball in Mini Football leading to a better technique. In 11v11 the ratio of ball to outfield players is 1:20, because there are fewer players in Mini Football each player has more regular contact with the ball. More contact with the ball helps players practice technique and develop technique into a skill through 1v1 competition.

- Decision making is easier and occurs more often because of the small numbers involved. As a result, the players will gain a greater understanding of the game. The basic football situations are easier to see and simpler to solve.
- Because the ball is never far away from the player, the chance of developing concentration is greatly increased. Playing 11-a-side football, many children lose interest in the game because the ball goes out of their immediate vicinity and they quickly become bored spectators.
- Fewer players, more space and simpler decisions will encourage more movement of players whatever the situation.
- More contact leads to more participation and usually, more enjoyment, success is easier to achieve.

MINI FOOTBALL IS THE BASIS OF ALL FOOTBALL

Small sided games have been played for hundreds of years in the street, the playground, or on the beach and many professional teams use them as the basis for their coaching. They invariably lead to basic football situations, such as, 1v1, 2v2 and 3v3 so typical of the 11-a-side game. Mini-football, through its dynamic tempo, produces more vigorous exercise than 11-a-side football and so helps to improve children's core components of fitness – speed, agility, balance and coordination.

ORGANISATION OF MINI FOOTBALL

The general aim of Mini Football is to provide a safe, supervised environment for children to enjoy their introduction to the game.

1. Playing Surface

- Mini football pitches **must** be specifically laid out on any suitable open spaces or conventional grass /Astroturf / 3G football pitches which can be converted for Mini-Football.
- There **must** be no debris or dangerous hazards either on the field of play or in the immediate surrounding area. Coaches are to take responsibility to clear the areas before matches
- Markings **must** be laid out with the use of conventional lines, marker discs or small cones. (please ensure cones are all the same colour)

This is mandatory at all Mini Football age groups. As a consequence at all Mini Football games clubs **must**:

- Buffer zone should be marked by cones or additional marked line.
